I hereby certify that all information is accurate, including claims of efficiency, size and customer information.

Contractor Signature (LEAVE BLANK IF SELF-INSTALLED) _____ **Date** _____

FOR REBATE OPERATIONS USE ONLY. DO NOT WRITE IN THIS AREA.

RECEIVED BY: _____ LETTER SENT BY: _____ REBATE AMT: _____

COMPLETED BY: _____ DATE PURCHASED: _____

DATE INSTALLED: _____

Rebate Details

Xcel Energy issues cash rebates in the form of checks, not utility bill credits. Xcel Energy is not responsible for inaccurate information provided by other sources about the amount and/or condition of the actual rebate or equipment eligibility. Rebate requests within five years of a previous request for a previously rebated piece of equipment at the same premise will not be accepted.

Application Details

Account holder applications must be postmarked no later than July 31 of the year following installation of qualifying equipment.

No phone calls will be accepted to provide equipment verification.

An application that is denied due to equipment ineligibility will not be accepted with changed model numbers.

A copy of the dated sales receipt or invoice must accompany complete information on the front of this form. The product invoice must specify all required information. Failure to complete this information will result in a returned application.

Xcel Energy reserves the right to refuse payment and participation if the customer or contractor violates program rules and procedures. Xcel Energy is not liable for rebate promised to customer as a result of a contractor misrepresenting the program. Xcel Energy does not expressly or implicitly warrant the performance of installed equipment (contact your contractor for detailed equipment warranties).

All information on the receipt or invoice must match the information on the rebate application or the application will not be processed.

We reserve the right to conduct random inspections to verify installation of the rebated equipment at the address indicated on the front of this form. If we select your application for a random inspection, the rebate application will not be processed until the inspection has been satisfactorily completed. Inspections may also be performed after rebate payment at Xcel Energy's discretion.

Special Promotions

In the event of a special promotion for this program, it is the account holder/contractor's responsibility to ensure all paperwork is postmarked by the deadline. Xcel Energy will not pay special promotion incentive dollars in the event that a form is lost or not postmarked by the deadline. Promotional rebate amounts will be automatically calculated by Xcel Energy. Promotion deadlines close at midnight on the date the application is due, with no exceptions.

Help With Forms

If you are building a new home, you must obtain a sales receipt for the equipment from your builder or retailer. Rebates for new home construction should be negotiated between the builder and resident or new home buyer to determine who receives the rebate. Only one rebate per piece of equipment will be paid.

If you have questions while filling out this form, please contact your contractor or retailer for assistance. Please allow at least six weeks for your rebate to arrive.

Qualifying Account Holders

Xcel Energy natural gas residential account holders in Minnesota/North Dakota are eligible for heating system rebates when buying qualifying equipment (reconditioned equipment is not eligible).

The program is applicable only for the purchase and installation of qualifying equipment sold by participating contractors or retailers for installation in new or replacement applications where natural gas, or electric for ECM rebate, is supplied by Xcel Energy. Property owners or landlords who have set up a Landlord/Owner Agreement with Xcel Energy may sign for and receive rebates for installed equipment.

Participants understand they are not eligible to receive a rebate for this improvement earned under a different Xcel Energy Rebate program.

MINNESOTA		
EQUIPMENT	AFUE	REBATE
Furnace	92%–95.9%	\$50
Furnace	96+%	\$300
Boiler	84+%	\$100
Factory installed ECM Motor on new furnace only		\$100
New retrofit ECM		\$100

NORTH DAKOTA		
EQUIPMENT	AFUE	REBATE
Furnace	90%	\$75
Furnace	94%	\$100
Boiler	84%	\$100

Limitations

Rebate qualifications and amounts are subject to change at any time. Our rebate programs may be cancelled with 30 days notice. Please visit us at xcelenergy.com/HomeRebates or call 1-800-895-4999 to determine whether any program changes have occurred.

Qualifying Equipment

Only equipment listed on the AHRI website (ahridirectory.org—residential section only) is eligible for rebate. Efficiency ratings are determined using the Air-Conditioning, Heating, and Refrigeration Institute (AHRI) directory. If more than one unit is installed at an address, one rebate form per unit is required to receive a rebate for each unit.

Submitting an AHRI certificate with your application and invoice is highly recommended. The AHRI list of qualifying equipment is dynamic and changes frequently. AHRI certificates that are printed, within two weeks of the installation date, and sent in with the rebate application will be honored even if the equipment is no longer listed on AHRI.

Electronically Commutated Motors (ECM) Rebate

ECM rebate applies to Xcel Energy electric customers in Minnesota only. The ECM rebate is not available to ND customers.

Forced-air furnaces with ECMs will be validated via OEM spec sheets or OEM websites. Customers are encouraged to submit an OEM spec sheet with the rebate form.

Retrofit ECMs

Furnace information is not required. However, an invoice demonstrating installation and showing the make, model and serial number of the motor is required.

Please include the items listed below on your application form and purchase receipt. If all of the items are not included the application will be returned.

Send to Xcel Energy (and keep a copy):

- Your purchase receipt/invoice, with these details:**

<p>Contractor-Installed</p> <input type="checkbox"/> Install/purchase date <input type="checkbox"/> Account holder name <input type="checkbox"/> Installation address <input type="checkbox"/> Manufacturer	<input type="checkbox"/> Model number <input type="checkbox"/> Serial number <input type="checkbox"/> Size or capacity <input type="checkbox"/> Efficiency level	<p>Self-Installed</p> <input type="checkbox"/> Install/purchase date <input type="checkbox"/> Itemized equipt. purchased
---	---	--

- This rebate form, completely filled out**
Contractors keep a copy of the application form and invoice.
